

Welcome to **THE GLEN** at Lake of the Woods Camp for Girls

Dear Camp Family,

We are so excited to welcome you into our camp family! We know that finding the right summer camp can be a tough decision, but we can assure you that your daughter will have the most amazing experience at The Glen this summer.

It is hard to think about preparing for summer camp with the summer several months away, but we try our best to help prepare you and your daughter for her upcoming camp adventure throughout the year. We know that the more we can do to help our camp families prepare for the summer now, the more we can ensure a successful experience for all of our campers.

You should know that by making the decision to send your daughter to camp, you are providing her with an experience that will have a lasting impact. Camp is a place where your daughter will learn new skills, make friends, grow in confidence, gain a sense of independence, enjoy the outdoors and just have FUN!

At The Glen we pride ourselves on the communication and relationships we have with our camp families. Please do not hesitate to call or email us throughout the year if you have any questions or concerns.

We are looking forward to another fantastic summer!

All our best,

Dayna, Dana & Amy

MEET THE DIRECTORS

Our Executive Director **Dayna Glasson Hardin** arrived at Lake of the Woods Camp in 1979 and worked her way up from camper to counselor to assistant director before becoming owner/director in 1997. Dayna is very involved in the camp industry and serves as President for the Midwest Association of Independent Camps (MAIC). In addition, she serves on the American Camp Association's (ACA) National Board and is a past member and PR Chair for the ACA Illinois section Board. Dayna is the co-founder of SCOPE Midwest (Summer Camp Opportunities Provide an Edge), a charity that provides camperships to underserved children throughout the Midwest at not-for-profit camps. She is a speaker at camp conferences throughout the year on topics ranging from helping campers cope with homesickness to trends in camping. She is also the conference chair for the American Camp Association's national conference. She has received a number of awards for her dedication to the camp industry. Dayna and her husband Terry have two boys; Dylan and Tyler who join her at camp all summer.

Our Associate Director **Dana Cohn** has over 16 years of camp experience as a former Lake of the Woods camper, counselor, program director and now our associate director. Dana is involved in staff recruitment, staff training, program development, and has terrific relationships with our campers, parents and staff. Dana graduated from Indiana University with a degree in Journalism and Political Science. Having been a camper, Dana understands the benefits of a summer camp experience. Dana is the co-founder of SCOPE Midwest (Summer Camp Opportunities Provide an Edge), a charity that provides camperships to underserved children throughout the Midwest at not-for-profit camps. Dana is on the program planning team for the American Camp Association's national conference and is a speaker at conferences throughout the year. As a former water-ski instructor, Dana's favorite camp activity remains waterskiing. Dana also loves to play tennis with her father's 1983 wooden racket!

Our Resident Life Director **Amy Latulippe** was a counselor and water-ski instructor with us in 1993 and 1994. She rejoined Lake of the Woods and Greenwoods as our resident life director and parent liaison at The Glen and The Grove for the summer of 2007 and is now a part of our full-time team! During her years away from camp, Amy graduated from the University of Illinois with a degree in Psychology and Human Development and Family Studies, completed her masters in Elementary Education at the National Louis University, and began her career in elementary education. Amy taught 3rd grade for 4 years and Kindergarten for 4 years. Amy and her husband, Mike, have 3 beautiful children and 3 very happy campers! Gabi, Brady, and Keegan join Amy at camp every summer.

Former camper, counselor and year round Operations director **Emily "FERDIE" Ferdman**, graduated from the University of Wisconsin-Madison with a degree in English. Emily quickly realized her dream to work at her childhood summer camp. As the Operations Director, Emily works behind the scenes to ensure that everything runs smoothly. Emily has spent 15 summers at our camp and sailing across our lake in "SS Ferdsta" is amongst her favorite things to do! She also serves on the Illinois section board of the American Camp Association.

Before joining us, Program Director **Rob Burns** completed a four-year degree in business, and worked within the international marketing department of a French company. Having spent time living in Spain, Germany, Cyprus and England; Rob decided that he wanted to find out what an American summer camp was all about. Rob joined us as a counselor and climbing instructor. For Rob, the "American Dream" became summer camp and he has been living and working full-time for camp ever since! Rob moved to Chicago in 2006 for his role as the Greenwoods program director. He has always had a passion for soccer but the boys at camp have opened his eyes to many new activities including: wakeboarding, climbing, and gaga! Rob recently completed the Honolulu Marathon and is always looking for the next challenge.

In addition, we have several people that work in our winter office...they are such assets to our camps!

BOBBIE BLOCK is our accountant and tennis superstar! Unfortunately Bobbi does not move to our summer camp office, but we are lucky to have two of her granddaughters at camp with us!

WILL DUNMIRE will be working with us in a year-long position as staffing coordinator. Will has been with our camps for 5 years as a counselor, counselor-in-training director and now The Grove Program Director. He will be working with Dana & Rob to hire the best possible counselors and during the summer will help run the programs at The Glen and The Grove.

SANDY GLASSON is the friendly voice many of you will speak with when you call our winter office. Sandy works with us throughout the year to help with our many administrative tasks. She also happens to be the mother of Dayna Hardin and grandmother to our campers, Dylan and Tyler Hardin!

Former camper and counselor **LAUREN "TINK" PATINKIN** helps out in our office January through May to assist with everything from mailings to program planning. Tink will return this summer as the Lake of the Woods Program Director.

DIRECTOR'S DISH ON DO'S & DON'TS

Over the years we have helped many parents and campers succeed at their first home away from home experience. Here are some simple tips on the "do's & don'ts" to help your daughter's experience be a successful one:

DO talk about homesickness! It is so important to talk with your daughter about how normal it is to feel homesick at camp. You can share with her that 99 out of 100 campers experience homesickness at some point during their stay. It is good to talk about what she should do if she does experience homesickness at camp. We will work with her and with you to come up with a plan to help her cope with these feelings. It is important to know that you can be homesick AND still have a great time at camp! Some of our most homesick campers continue to return year after year.

DO set some summer goals with your daughter. In addition to making friends and having fun, camp is about trying new things and learning new skills. We pride ourselves on the individual attention we give to each and every camper. We encourage all of our campers to set some personal goals each summer, whether it is learning how to water-ski or becoming a better swimmer...we strive to help our campers achieve these goals during their stay at camp.

DO include your daughter in the camp shopping & packing process. It is great way to share your excitement for her upcoming experience and it is helpful for her to know what they she is bringing to camp!

DON'T tell your daughter that you are not going to be okay without her this summer! Of course it is okay for her to know you will miss her, but we want to avoid her worrying about mom or dad while she is at camp. Try saying "I am going to miss you so much, but I know you are going to have the best time!"

DON'T make the "pick-up deal" by telling your daughter that you will come pick her up from camp if she does not like it, or is homesick. Children typically lose any motivation to try and succeed at camp if they think a parent is coming. We promise that she will hold you to this deal and it will make it much harder for us to help her adjust to life at camp. Part of camp is learning to work through situations that may not always be easy. Please know that the directors and counselors are taking great care of your daughter; we are committed to helping her throughout the summer so that she can have a positive and successful camp experience.

In the spring we host a Chicago-area New Camper Party and Parent Orientation. We encourage you to attend so we can share some more helpful information to help you prepare.

A final thought on parenting - it's not easy! Raising intelligent, decent kids is tough; in today's culture, girls have a unique set of challenges. Looking for insights? We recommend:

- **Emotional Intelligence**—*Daniel Goleman*
- **Best Friends/Worst Enemies: Understanding the Social Lives of Children** - *Michael Thompson*
- **Giving the Love That Heals, A Guide for Parents**—*Harville Hendrx*
- **Not Much Just Chillin': The Hidden Lives of Middle Schoolers**—*Linda Perlstein*
- **The Blessing of a Skinned Knee** - *Wendy Mogel*
- **Perfect Madness, Motherhood in the Age of Anxiety** - *Judith Warner*
- **Odd Girl Out, The Hidden Culture of Aggression in Girls** - *Rachel Simmons*
- **Queen Bees and Wannabes: Helping Your Daughter Survive Cliques, Gossip, Boyfriends, and Other Realities of Adolescence** - *Rosalind Wiseman*
- **Cliques** - *Charlene Giannetti and Margaret Sagarese*
- **Bullyproof Your Child for Life – Protect Your Child from Teasing** - *Joel Haber*

Important Dates & Reminders

DECEMBER

- We hope you don't have to cancel, but unless you are enrolled in CAP, March 1st is the last day to cancel enrollment without losing your deposit.

MARCH

- You will receive the **MEDICAL MAILING**, which includes a Health History Form for your camper, information on camp medication and much more. This mailing will also include suggested packing lists.
- Your camper will receive a letter from their 2010 CAMP SISTER! We pair up our new campers with either a return camper who is older as well as a new camper who is close in age. Our return campers look forward to telling your daughter all about camp and help answer any questions she might have. During the first week of camp we have a camp sister social so that our pen pals can finally meet in person!
- At the end of March you will receive the **FINAL MAILING PACKET** which includes a camper profile form, tuition statements activity selection forms and our parent handbook which contains a lot of very important information for parents.

APRIL/MAY

- Final tuition payments and all forms sent in the Final Mailing Packet are due back to our winter office no later than April 30th.
- Campers and parents are invited to our Chicago area New Camper Party & Parent Orientation on Saturday, May 8th. Be sure to save the date! We will be mailing out more information in the spring.

ELECTRONICS POLICY

Our electronics policy helps to ensure that campers continue to have social interactions with each other as well as avoid jealousy that may occur amongst campers who do not come to camp with these types of games. Handheld electronic games such as Gameboys, PSP's and Nintendos are NOT allowed at camp.

In addition, we do NOT allow **iPod Touches** at camp. Campers are allowed to bring iPods as long as they do not have video or internet capabilities. If your camper does have an iPod with videos on it, we ask that you remove all videos before camp.

We recommend that campers leave valuables at home, as the camp is not responsible for loss or damage.

PROHIBITED ITEMS

In addition to hand-held electronic games, we do NOT allow the following at camp:

- Cell phones
- Televisions
- DVD players
- Video cameras
- Laptop computers
- Fireworks
- Knives
- Electric fans
- Skateboards
- Scooters
- Food

FREQUENTLY ASKED QUESTIONS

Q: How do you make cabin assignments?

A: Your daughter will find out her cabin assignment once she arrives at camp! We carefully review each child's guidance form at the beginning of the summer and try our best to accommodate friend requests when it is a mutual request.

We do not finalize cabin placements until right before your child's arrival at camp, and hope you trust our judgment when doing so. If we are unable to meet one of your requests, we will call you before camp begins so there will be NO surprises for you or your camper! We spend a great deal of time putting each cabin group together to ensure a fun dynamic for your child where they can be with old friends and make new ones!

Please don't panic if your child is coming to camp and does not know anyone...we think it can be the best way to experience overnight camp; after all, camp is about meeting new people and making new friends! In addition to our camp sister program and new camper party we are happy to give you more information about other campers the same age that are enrolled. We have helped many new campers connect with other campers throughout the year! Once at camp, our wonderful counselors are trained to help facilitate connections amongst campers all summer long.

Q: When and how does my daughter pick her camp activities and schedule?

A: Campers will create their own activity schedules prior to arriving at camp by filling out an Activity Selection Form that you will receive at the end of March. This form helps us get to know your daughter's interests prior to her arrival, and it is also a great way for you to go over all the camp activities and discuss different options with your child before camp. There are almost 40 different activities to choose from, so the hard part will be narrowing it down to 6 "elective" activities that she really wants to focus on while at camp. We will take the activities your daughter selects and create a customized schedule. Your daughter will receive a copy of her schedule on the first day of camp. We encourage all of our campers to try their schedule at least twice and then we are happy to make any schedule changes at the end of the first week of camp.

Each day consists of five, 55-minute activity periods. The first 2 activities are cabin activities that take place between breakfast and lunch, and the 3 afternoon activities follow lunch and rest-hour until dinner. These afternoon activities are your daughter's elective activities.

In addition to the instructional activities, we offer private lessons in golf, tennis and basketball, which are scheduled during down-times like rest hour. Private lessons do not count as an elective activity.

SAMPLE DAILY SCHEDULE

	A DAY	B DAY
1st Period	CABIN ACTIVITY	CABIN ACTIVITY
2nd Period	CABIN ACTIVITY	CABIN ACTIVITY
3rd Period	Swimming	Hip-Hop Dance
4th Period	Water-skiing	Sailing
5th Period	Climbing	Archery

DIRECTORS ON THE ROAD

Throughout the year, we travel all over to attend camp conferences and fairs. If we are traveling to an area near you, we would love arrange a time to meet your family! If you have friends, neighbors or relatives interested in hearing more about our camps, we would love to meet them as well! We will continue to update our families as our schedule changes.

November 12th & 13th—White Plains, New York

We will be attending a conference with a group of private camp directors on the East coast to share best practices.

January 23rd—Munster, Indiana

Munster Area get-together; new and return campers are invited to attend our dinner & bowling party.

February 16th—20th—Denver, Colorado

We will be attending the American Camp Association's (ACA) National Conference and celebrating the 100th anniversary of the ACA. We are proud that our own Dayna Hardin is the chair of the conference.
