## CAMP NOTES

This List Is A Guide For You To Follow.

We urge you to study these suggestions carefully. It is not necessary to go to great expense outfitting your child for camp. Make use of the clothing she already has. You may use your judgment and substitute articles keeping in mind that she must be prepared for hot, cool and rainy weather. Also keep in mind that the laundry goes out once a week and takes 3 days before being returned. Do not send delicate clothing that cannot safely be washed in a commercial laundry.

Every item of clothing and equipment must be plainly marked with campers first and last name. Use name tapes for clothing, etc. and paint pen for equipment.

Note: Handheld electronic games such as Gameboys and PSP's are NOT allowed. In addition, cell phones, large radios, fireworks, electric fans, skateboards, scooters, knives or weapons are strictly prohibited. We also recommend leaving any valuables such as ipods or CD players at home as the camp cannot be responsible for loss or damage.
