By Aaron B. and Zach B.

Welcome back everyone! Everyone is excited for the fun session ahead. Everybody is excited to see his or her old counselors. Some kids get to camp by car, bus, and plane, however you get there it's always the same experience. Going into activities. # The Mess Hall

By Max D.

The mess hall is a exiting fun place for kids to eat. A lot of kids enjoy the food in the mess hall. This morning I saw a lot of kids eating eggs. I love the smell of eggs. One of the things I like doing is singing my cabin cheer. Also I like to sing the happy birthday cheer it goes like this *Happy Birthday To You*

*WHOO! Happy Birthday To You  
WHOO! Happy Birthday To  
\_\_\_\_\_ WHOO! Happy Birthday  
To You WHOO!* My favorite lunch is chicken fingers. My favorite food for dinner in the mess hall is the pasta. My favorite desert in the mess hall is the ice cream sandwich. I also think if you like

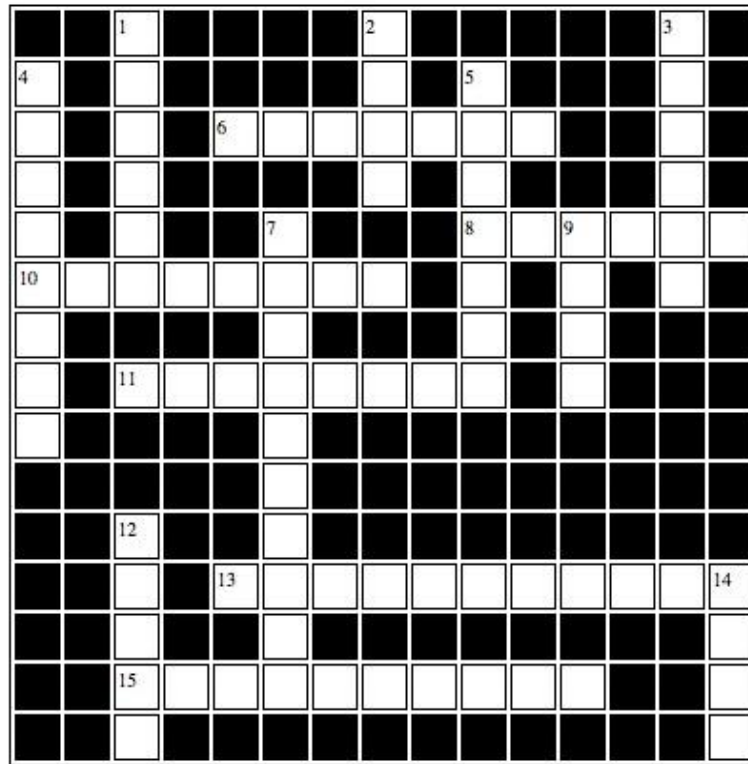

the food in the mess hall you would like the pizza and Pepsi Friday. I think if you you like salad you should recommend the salad bar.

## Evening Activities

By Zach B.

At Greenwoods your schedule goes like this Wake up, Eat Breakfast, do 2 activities, eat lunch, do 3 more activities, eat dinner and do your *Evening Activities*. Your evening activities can be anything from Going out to formula K to having a Pool Party with McDonalds ice cream. One of my Personal favorite activities at night is tubing with Hayloft Pizza. If you don't know what tubing is it were you get on a donut shaped surface and put you hands on the handles and drift through the lake with the boat pulling the tube through the water. Another fun one is Capture the Flag in Capture the Flag there are 2 teams Green and White and the other team has to intercept the flag out of the holder. Another option you have for a evening activity is a movie in your cabin or a movie in Bob's Lodge. For a movie in your cabin you have a projector in your cabin and they put up a screen and you watch a movie in your cabin. But if you see a movie in Bob's Lodge there is a TV and a DVD player. Honestly in my opinion movie in you cabin if a lot funner and the experience in cooler. Even once in a while your cabin has a cookout and they make hot dogs and have burgers for dinner and for desert you get s'mores!

Hi, My name is Jacob and I am going to go waterskiing,

I am a little scared to go waterskiing,

when I got to the waterskiing dock they told me all the rules and then told me to go the green boat because I never went waterskiing before,

Then I got on the boat, put my water skis on, and got in the water,

By that time I was so scared that I was shaking,

Then the boat started to move and I actually liked it, I was having the time of my life.

When I got off I couldn't wait to do it again tomorrow
