Staff Spotlight

WHERE ARE THEY NOW?

Check out what some of our staff are up to now that they are back in the "real world!"

ISABEL GLASS:

Where are you now and what are you doing? "I'm a freshman at the University of Michigan hoping to major in Organizational Studies. I'm also in a sorority and on a student engineering project team"
What is your favorite memory from camp last summer? "My favorite memory was Felicia's birthday party!" **"Because of camp,** I have made best friends, and now get to watch and help my campers do the same."

ISABEL GLASS

TOM HARDY:

Where are you now and what are you doing? "I am now in London and working for Camp America in the UK's head office. I get to talk about camp every day. I get to travel around the UK doing presentations at universities and colleges helping more people have the opportunity to work at summer camps all across the USA." **What is your favorite memory from camp last summer?** "My favorite memory was from last summer, the 2nd session 7th Grade Surprise Trip to Skyzone. The whole cabin - campers and counselors - had a great time! But, the memories that I will really never forget are the times when the cabin was just all together hanging out." **"Because of camp,** I now have a job in the camp industry. I've learned so much about myself and the person that I want to be. I have bonds with people that I will be friends with for life all over the world, and I don't go a day without speaking to a friend from camp."

TOM HARDY

KATIE CAPP:

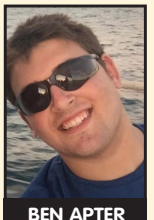

Where are you now and what are you doing? "I am a freshman at Illinois State University, and I am double majoring in Acting and Theatre Education with a minor in English." **What is your favorite memory from camp last summer?** "My favorite memory from last summer was each night second session my girls would come and sit on my bed, and we would listen to music, draw, and talk. Nothing made me happier than hearing about all their lives and laughing with them." **"Because of camp,** I have been able to find who I am as a person and create lifelong friendships along the way."

KATIE CAPP

BEN APTER:

Where are you now and what are you doing? "I'm currently a junior at Indiana University studying in the media school. I'm working and studying really hard to become a designer of video games. I'm also a bass drummer in my school's Drumline, and a drum set player for the Big Red Basketball Band. So basically, I've performed at every home game for football and basketball. I even got the opportunity to play with the IU drumline at Michigan State this year, as well as playing at the New Era Pinstripe Bowl game in New York City on December 26th!" **What is your favorite memory from camp last summer?** "There are so many great memories I have from this past summer, so it's extremely difficult to pick a favorite. However, if I have to pick one, I would say that the best memory of this summer was watching campers who just learned how to shoot an arrow get their first bullseyes." **"Because of camp,** I've been able to do things that I never get to do at home, like archery, climbing, and waterskiing. I've also been able to make brand new friends from the U.S. and places like South Africa, Australia, and New Zealand."

In 2007, **DAYNA HARDIN** and **DANA KITE**, along with other camp directors in the Midwest partnered with SCOPE New York to launch SCOPE-MIDWEST in an effort to provide a summer camp experience for children in our communities. Our campers and many of our camp families have volunteered, raised money, and promoted events for SCOPE-Midwest for many years. Please join us this Spring for our annual SCOPE Benefit.
