

Welcome back to...

GREENWOODS CAMP FOR BOYS

It has been a wonderful fall in our winter office! We have been busy hiring incredible staff, organizing exciting programs, and planning tons of fun for next summer. The past two years have certainly taught us more about camp! We learned that it takes A LOT to run safely during a global pandemic. However, we also learned that many of the adaptations we were initially apprehensive to make ended up being “silver linings” that are going to stick - at least for next summer!

For instance, next year we may have campers participate in cabin activities for the first two days. It was a wonderful way for groups to bond and try new things together. After that, campers would enjoy a fully elective schedule and focus on doing what they enjoy the most. We also plan to keep our outdoor dining tents, as we know campers enjoyed the alfresco dining!

As we plan for summer 2022, we do so with every intention to provide a typical Greenwoods experience - complete with an elective program, trips out of camp, cheering and singing, and gathering together as one camp from the very first day! Let the countdown begin for summer 2022!

Wishing you a fantastic Thanksgiving & holiday season ahead,

 Dana 😊

Fall Updates from Camp

After fourteen years at Lake of the Woods & Greenwoods, **Tom Daniel** is moving on to new opportunities closer to home in Nashville, Tennessee with his family. We are sad to see Tom go, and want to thank him for his years of dedication to our camp and campers. We wish Tom all the best in his future endeavors, and know that he will be forever connected to everyone at camp.

We are excited to welcome our new Assistant Director, **Ben Jerez**, to our year-round team! Ben was born and raised in Perth, Australia, but has spent the last several years living in Philadelphia and working year-round for Camp Akeela, a co-ed overnight camp for campers with autism in Vermont. Camp Akeela was not able to operate in 2020, and we were fortunate to have Ben spend that summer helping us in Decatur. Ben made such a positive impact on our campers, staff, and program that we knew that he would be the best person to become part of our year-round team!

Ben graduated with a degree in education from Curtin University in Western Australia and is in his final year of completing his Master's in Applied Behavioral Analysis from Monash University. Ben grew up playing Australian rules football and surfing. In his free time, he enjoys traveling with his fiancée Nicole. The two of them live together in Winnetka, IL with their golden retriever, Juniper.

Welcome to our newest little camper...

Our Associate Director, **Keely Finnegan**, and her husband Brendan welcomed Josephine Marie Giffel on Friday, October 29th. As a new big sister, Tilly is excited for her little sister to join her at camp next summer.

LOOKING AHEAD & PREPARING FOR SUMMER 2022!

Although the winter season is upon us, below are a few things your family can do NOW to start preparing for camp:

- Review the [Packing List](#) - The holidays are a great time to start your camp shopping!
- Order labels! For [Label Daddy](#), use promo code **Decatur** for a 25% discount!
- Schedule a physical and bring the required [Physician Examination Form](#) for your doctor to sign.
- Talk about his experience at camp last summer. What were some highlights of her experience and on the flip side, what are things that didn't go as he hoped or planned? Yes, we want to create an experience that is as close to perfect as possible, but nothing in life is perfect.
- Contact us if your son is receiving any additional support - whether it is academic, emotional, or social. It is important we partner with you to ensure he is successful at camp.
- Talk to your son about what goals he has for camp! Ask if there are new skills he hopes to learn, or how he hopes to grow next summer.

PARENTING TIPS- It Takes a Village!

We care about our campers and camp families ALL year round. We like to share any great resources about parenting and child development we see with our camp families.
