

# TWINWOODS PRESS

WINTER EDITION 2022

Dear Camp Family,

We have been enthusiastically planning for a fabulous summer in 2022. We have been hiring exceptional people to join our summer team, attending camp industry conferences, and visiting with campers and staff all over the map. Some families have asked about our COVID plans for this coming summer. It is impossible to know what the world will look like come June when it is time to greet our first session campers. What we do know, however, is that we successfully operated the last two summers and are excited that 2022 will include elective activities, safe trips off campgrounds, and lots of singing and cheering!

We anticipate that all campers will be required to do a pre-arrival and arrival day COVID test. As we continue to work on our policies and protocols, it is important to emphasize that our definition of a “successful summer” minimizes risk and prevents an outbreak at camp. We will continue to follow CDC & State of Michigan guidelines and update all families in May with more information. We appreciate your patience and understanding as we take time to be thoughtful with all preparations.

Our goal is for COVID to be background noise while your child is at camp. Our focus is to help campers grow socially and emotionally, learn new skills, communicate without screens, run around, play, get a little dirty, and come home a better, more confident version of themselves.

Stay tuned this month for the “Medical Mailing” and the “Camper Prep Packet” coming in March. Both mailings will include important information and required forms. In the meantime, don’t hesitate to reach out if there is anything we can do to help your family prepare.

Counting down the days,

*Dana*

# NEW CAMPER CORNER

## What if I don't know anyone at camp?

Many campers do not know anyone before their first summer! These same campers have lifelong friendships that they made at camp, and they return every summer to reunite with their camp friends! In the spring, you will get a letter from another camper who will be your Camp Brother or Camp Sister. You can get to know each other before camp and meet in person when you arrive. During the summer, our counselors spend time helping campers get to know each other better through fun games and activities!

## Activity Spotlight Music & Recording Studio

At our state-of-the-art Music & Recording studio we want campers to learn the fundamentals of music and develop their skills through competent instruction and supervision of practice. We offer instruction in Beat Production, Drums, Guitar, Keyboarding, Songwriting & Recording, and Vocal Coaching!

In 2021 we launched the Lake of the Woods and Greenwoods Camp Podcast. You can find us on Apple and Spotify!

# SCOPE MIDWEST

SCOPE (Summer Camp Opportunities Promote Education) is a nonprofit organization that raises money to send less fortunate children to not-for-profit camps throughout the Midwest. In 2007, DAYNA HARDIN and DANA KITE, along with other camp directors in the Midwest partnered with SCOPE New York to launch SCOPE-MIDWEST in an effort to provide a summer camp experience for underserved children. Our campers and many of our camp families have volunteered, raised money, and promoted events for SCOPE-Midwest. We invite you to support SCOPE Midwest by attending, sponsoring, or donating to the event. [Click here for more info.](#)
