WINTER 2023 NEWSLETTER

We have been busy in the winter office getting ready for summer 2023. People often ask how we spend our time during the year when we aren't at camp. And wow, there is so much that we do to get everything ready for our campers and staff.

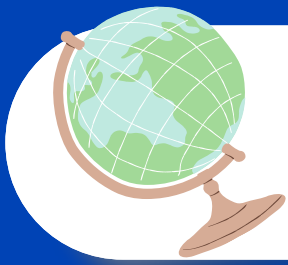

We spend time planning new programs, trips, hosting camper events, meeting with new camp families, attending conferences with other camp professionals, and a lot of our time is spent recruiting and hiring incredible people to join our staff this summer.

One highlight this winter season was reuniting with staff in Australia and England. The friendships made at camp last forever, and this is true for our campers and staff. It was incredible reconnecting with so many wonderful people. Another highlight was meeting up with new and old campers in Florida, St. Louis, and Indianapolis. Enjoy the photos from these camp connections on the next page.

The countdown to summer feels real now. We can't wait!
