WINTER 2024 NEWSLETTER

Dear Campers,

I find this time of year so exciting because the New Year means we are getting closer to camp! For our returning campers, I hope you are looking forward to returning to your “home away from home”. And, for our new campers, it is so normal to feel nervous as it gets closer to the summer. Once you get to camp, you will be surrounded by incredible people who will welcome you, support you, and help you feel at home in no time!

The year-round team has been busy interviewing and hiring great people to join our team this summer. We have wonderful returning staff members who are also counting down the day to be back, and we have fantastic new staff from around the world who are so excited to join our camp family. In addition to recruiting staff, we spend the fall and winter months attending conferences, planning programs, trips and special events.

We are gearing up to send a lot of information and camp forms for you and your families to complete. So, you will start preparing for your summer at camp very soon too!

I am counting down the days to be in Decatur with all of you! Until then, wishing you and your families laughter, peace, and lots of camp spirit for the months ahead.

Yours & s'mores,

Dana

ANT'S SPICED BUTTERNUT SQUASH SOUP

Check out this winter recipe from everyone's favorite Grove Assistant Campus Director and Hayloft General Manager, Ant! Fun fact: Did you know Ant was a professional chef back home in England before coming to join us at camp?!

Try this at home and don't forget to post and tag Lake of the Woods and Greenwoods for a chance to win some special swag.

INGREDIENTS

- 3lbs Butternut Squash, halved and seeded
- 2 tablespoons butter
- 1 Medium onion sliced
- 1 leek, washed and sliced
- 2 Cloves garlic sliced
- 2 (49.5 fluid ounce) cans chicken broth (vegetable also works)
- 2 large potatoes, peeled and quartered
- 1/4 teaspoon all spice
- 1/4 teaspoon ground nutmeg
- 1/4 teaspoon ground ginger
- salt and pepper to taste
- 1 cup half and half cream

METHOD

1. Preheat the oven to 375 degrees F
2. Pour a thin layer of water into a baking dish. Place the squash, cut side down in the water in the dish
3. Bake in the oven for 40 minutes, until the squash is soft, cool slightly and then remove the skin
4. Melt the butter in a large pan over a medium heat. Saute the onion, leek and garlic until tender. Pour in the broth and add the potatoes. Cook until the potatoes are soft.
5. Add the squash to the pot, then blend using an immersion blender
6. Season with the ginger, all spice, nutmeg, salt and pepper
7. Stir in the cream, cook over a medium heat until heated through, don't boil. Ladle into soup bowls and serve!
