

CAMPER ASSURANCE PROGRAM (CAP)

What if... Your child is sick or injured or is unable to attend camp for ANY reason?

Or if... Your child receives a “once-in-a-lifetime” opportunity for next summer, or simply decides to try something different?

Or if... A family emergency or personal financial situation makes it imprudent or impossible for your child to go to camp?

Or if... Your child decides he or she is not ready to attend overnight camp this summer?

FREQUENTLY ASKED QUESTIONS

Are my payments really protected if my child cancels without a good reason?

Yes. You do not need to give us a reason to cancel under CAP. The only requirement is that you send us a written cancellation before camp opens. Depending on when you cancel, a portion of your payments will be retained as a credit for a future camp session for your child or a sibling, and the remainder will be refunded.

Why would I choose CAP?

With CAP you can cancel for any reason and 100% of your payments are protected. In addition, if your child needs to leave camp early, the unused portion of your camp fee will be retained as a credit that can be used toward tuition another summer or transferred to an immediate family member.

Can I sign up for the CAP program at any time?

No. You MUST sign up and pay for CAP at the same time you enroll your child. If you do not sign up for CAP and find it necessary to cancel, you will be subject to the standard cancellation penalties outlined during registration.

Will I get 100% of my money back if I enroll in CAP and need to cancel?

Participants in CAP do not need a specific reason to receive the benefits of CAP. The Camp reserves the right to issue credits in lieu of scheduled refunds in the unlikely event of an Act of God, War, Terrorism, Civil Unrest, Communicable Disease, or any other non-personal situation that, in the Camp's sole judgment, could lead to significant cancellations that would have a negative financial impact on the future of the Camp.
