OUR PHILOSOPHY:

LIVE HERE.

Camp provides a home away from home. A place to feel comfortable growing and developing an independent sense of self that will carry through to all aspects of your child's life.

LEARN HERE.

With over 50 activities, camp is a place to learn fun new skills and important life lessons.

LEAVE HERE BETTER.

Whether it is your first summer or your fifth, we believe in the power of camp to create a more well-rounded, conscious, and empathetic person. Our team is thrilled to welcome you to our community where we can learn, live, and grow together.

ABOUT US

Director of The Glen and The Grove, **KEELY FINNEGAN**, has been a dedicated member of the Lake of the Woods and Greenwoods team since 2005. She started as a counselor and tennis instructor before moving into a variety of leadership positions. A graduate of Central Michigan University with a degree in Elementary Education, Keely taught 2nd and 3rd grade before joining the year-round camp team in 2012. Since then, she has served as Operations Director, Assistant Director, Associate Director and now Director of The Glen and The Grove. Keely oversees all aspects of camp operations at our 2-week programs as well as manages our camp menu and meal plans for campers with dietary restrictions, oversees our waitlist, and works with prospective families. Keely has served as an advisor for the SCOPE (Summer Camp Opportunities Promote Education) Junior Committee, supporting a charity that provides camperships for underserved children throughout the Midwest at not-for-profit camps. She is also the co-founder and director of CampOut Family Camp, an LGBTQ+ family camp weekend established in 2016 that has become a signature program celebrated for its inclusivity and community spirit. Keely's favorite activities are tennis and cooking. She lives in Gurnee, IL with her husband, Brenden, their two daughters Matilda "Tilly" and Josephine "Joey," and their dog Rustin.

Director, **DANA KITE**, has grown up at Lake of the Woods and Greenwoods. She started as a camper at Lake of the Woods at age 10, and continued as a CIT, Junior Counselor, Counselor, Waterski Instructor, and Program Director until becoming the Associate Director. Now, as the Director, Dana is involved in all aspects of camp life. Dana graduated from Indiana University with a degree in Journalism and Political Science. Dana is the co-founder of SCOPE Midwest (Summer Camp Opportunities Promote Education), a charity that provides camperships to underserved children throughout the Midwest at not-for-profit camps. Dana's favorite camp activities are tennis and waterskiing. Dana lives in Glencoe, Illinois with her husband David and their 4 children.

Assistant Director, **BEN JEREZ**, joined our team in 2020. He was working year-round for Camp Akeela, a co-ed overnight camp for campers with autism in Vermont. Camp Akeela was not able to operate in 2020, and we were fortunate to have Ben spend that summer helping us in Decatur. Ben made such a positive impact on our campers, staff, and program that we knew that he would be the best person to become part of our year-round team! Ben graduated with a degree in education from Curtin University in Western Australia and taught high school English before moving to the states. Ben grew up playing Australian rules football and surfing. In his free time, he enjoys traveling with his wife Nicole. The two of them live together in Evanston, IL with their dog, Juniper.

The Grove Campus Director, **ANT MARTIN**, started working at The Grove in 2018 as a counselor and cooking instructor, before becoming a division leader, and now the Campus Director. At our two-week boys' program, he is responsible for day to day operations, communications with our Grove families, and building personal connections with each of our Grove campers. Prior to camp he enjoyed a career as a Head Chef in his hometown of Cambridge, England, working in high end pubs and restaurants. In his spare time Ant enjoys traveling and watching the NFL, cheering for the Green Bay Packers. He also is an avid runner and cyclist.

Operations Director, **TARA PATEK**, started with us in 2016. She works year-round helping with all of the behind the scenes operations that help make camp run smoothly. Tara graduated from the University of Central Florida with a degree in Early Childhood Education and received her Masters in Early Childhood Administration from National Louis University. After being the Associate Director of a Temple-based preschool working with young children and families, she decided it was time for a change. Tara and her husband Mark live in Chicago with their 2 children Lillian and Evan, who spend their summers at Lake of the Woods and Greenwoods. During the year she also teaches a parent/child class at Glencoe Junior Kindergarten.

PARENT PREPARATION

Help your son practice personal responsibility. For example, picking out his own clothes in the morning, making his bed, or brushing his teeth. It seems easier and quicker to do things for our children instead of allowing them to do it themselves at home. However, when you give children the opportunity to perform tasks themselves, they begin to develop a sense of responsibility and accomplishment, and it helps them tackle new situations with ease.

Be Kind Online

YOU ARE NOW PART OF A SPECIAL COMMUNITY.

OUR CAMP COMMUNITY TREATS EVERYONE WITH KINDNESS AND RESPECT ALL YEAR LONG.

BE SMART, SAFE, AND RESPONSIBLE ONLINE BY FOLLOWING THESE RULES.

RULE 1 *Never post or send anything on social media that you wouldn't want the whole world to see.* Nothing online is private. Nothing. People can take screenshots or photos of the screen. They can pass their phone around and show your message to others. They can simply talk about what you sent.

RULE 2 *Never talk negatively about others in text messages or on social media.* If you wouldn't say it to their face, do not say it on social media or in a text message. Remember that once something is posted online, it cannot be taken back completely, even if you delete it.

RULE 3 *If you are part of a conversation where someone breaks rule #2, leave the conversation.* Do not let yourself become guilty by association, even if you are not the one saying the negative things.

RULE 4 *Never have an argument over text or social media—work out your differences in person.* It is much easier to be misunderstood online. Your words can be twisted and shared with others, causing a simple disagreement to blow up into something much bigger and involving more people. If you have an issue with someone, work it out face to face.

RULE 5 *Don't post gatherings or get-togethers if you have left someone out!* You don't need to be best friends with everyone in your cabin, but if you are hosting a get-together where more than half of the cabin is invited, you should include everyone. If you are getting together with just a few camp friends, it is OK to post as long as you stop and ask yourself if anyone would be hurt that they were not invited.

RULE 6 *Before you text something unkind or post something on social media, stop and ask yourself... Do you think it aligns with our camp values? If there is any doubt- don't do it!*

PARENT PARTNERSHIP EXPECTATIONS:

At Lake of the Woods & Greenwoods Camps, we believe positive and collaborative relationships with our camp families are essential for each camper's experience and success.

In an effort to create and sustain a partnership between parents and the Camp, parents are expected to support all policies outlined below.

Camp Parents/Guardians Agree to:

- Communicate respectfully with all camp staff.
- Support Lake of the Woods & Greenwoods Code of Conduct policies by reinforcing our standards and expectations for behavior with your child.
- Instill in your camper respect for all camp staff and all other campers.
- Recognize Lake of the Woods & Greenwoods' responsibility to balance the needs of the entire camp community with those of individual campers.
- Read and review all communication from camp.
- Respect due dates for required camp forms so that camp staff can prepare for your child's arrival.
- Refrain from complaining to staff about the online photo gallery. This is a bonus service that is not reflective of your child's safety, growth, or joy while at camp.
- Listen to the detailed voicemail from camp before calling back. This helps our staff direct your call to the appropriate person.
- Respect what information you share with other camp families. Every camper has their own unique experience, and families should not rely on communication with other families for camp updates, or for information about their camper.
- Wait to share information in a letter or email that might be upsetting to your camper without notifying a division leader or member of the year-round team. This allows us to properly support your child.
- Refrain from initiating communication with any directors, camp staff, or CITS through their personal devices unless it is an emergency. Camp staff are not allowed to communicate with camp families from their cell phones or through social media, and doing so is a violation of their employment agreement.
- Families should always call the main office, and we will direct your call to the appropriate person. Please understand that during the summer, the year-round team is out and about running camp. When we receive texts or calls on our personal phones it can be disruptive and impact our ability to focus on our campers and staff. Please always call our main office, and we will get back to you when we are available, typically in the evening after dinner.

Violation of these policies, and/or disrespectful behavior towards any member of the community (determined at the discretion of the camp directors), may result in non-renewal or termination of the Camper's enrollment.

Camper Code of Conduct

Lake of the Woods and Greenwoods is a special community, and being a camper or staff member here is incredibly fun and rewarding. To maintain an emotionally and physically safe environment where everyone can experience camp life to its fullest, we train our staff to recognize and effectively deal with inappropriate behaviors. We quickly and directly address any incidents to reinforce that these behaviors are not tolerated at camp.

We know that at camp, just like at home and school, bullies can impair the experience for others. We consider bullying or harassment to be repeated conduct that disrupts another camper's ability to have a successful summer in a safe environment. One of life's lessons is to learn how to live and get along with people who may be different from oneself.

To provide a healthy, safe and respectful environment, all campers and staff must agree to follow the Code of Conduct outlined below:

- Will demonstrate the highest degree of respect for other people and their belongings. Respect the rights, privacy, and property at camp - no stealing, damaging property, or vandalizing others' property.
- Will not participate in or threaten to participate in any hazing, vandalism, or other act of physical, sexual, or verbal abuse toward campers or staff.
- Will respect camp property - including all equipment, living space, and facilities.
- Will refrain from being physical with another camper or deliberately causing bodily harm or discomfort, including pushing, kicking, hitting, or fighting.
- Will not use insensitive or offensive language including things like another's race, color, national origin, religion, physical or mental ability, age, gender identity or sexual orientation.
- Will follow the "Golden Rule" and treat others with courtesy and consideration.
- Will not have fun at someone else's expense.
- If someone or something at camp is bothering me - I commit to letting an adult at camp know as soon as possible.
- Let an adult know if someone is bullying me. Let an adult know if I witness someone else being bullied (reporting is confidential).
- The Code of Conduct applies to behavior online, including social media, text messaging, etc.
- I will abide by the Code of Conduct ALL year-long, not just while at camp. When I see members of the Lake of the Woods and Greenwoods Camp community. I will smile, be kind, welcoming, and inclusive.
- Know and abide by the Official Camp Rules and Policies.

DISCIPLINARY PROCEDURES

When a member of our camp community violates the Code of Conduct, it will result in a conversation with the Camp Director(s). It may also result in missing out on camp programs or events, suspension, or dismissal from the camp program.

Any behavior not explicitly outlined above but deemed inappropriate or disruptive by the Camp Director may result in dismissal from the camp program. No refunds or credits will be issued if a camper is suspended or dismissed.

The Code of Conduct will be available in the Spring online in your CampInTouch account and must be signed by every camper and parent/guardian before attending camp. All families must review the Code of Conduct with their camper before signing to understand expectations.

THANK YOU AND WE LOOK FORWARD TO AN AMAZING SUMMER!
